

KEEP IT ALL TOGETHER — WITH YOUR ENCLOSED **HYUNDAI GRIP MAT.**

The enclosed Hyundai Grip Mat is the perfect tool for keeping all your little things in place when you're on the road. Even when you take the tightest turns, your Grip Mat will keep everything together — making each journey a little more convenient.

Instructions

1. Place your Hyundai Grip Mat on a dust-free surface (like a dashboard or console), with the logo side facing up.
2. Do not place in front of an airbag.
3. Throw your in-transit items on there: cell phone, coins, sunglasses, etc. They will grip to the mat and remain immobile.
4. Keep out of the sun when not in use.
5. To clean, simply rinse with soap and water.
